# Tab 4: Approval of Modification to the WCCNM Bylaws & WCCNM CEO Agreement – By Art Martinez

- Mr. Martinez advised the Board that this a joint WCCNM CEO & Executive Committee
  meeting. We are mandated by WIOA regulations and NM regulations to have, at least, one
  joint meeting on an annual basis with the CEO's.
- Mr. Martinez stated there are two items to address WCCNM Bylaws and WCCNM CEO Agreement.
- He explained the Economic Development Standing Committee was established in March 2021 with the mission to forge alliances with Central Region economic development organizations, businesses, communities, and training providers; identify workforce needs, develop strategies for county level planning, bridge skill gaps, and support economic development initiatives. Unfortunately, with the recent departure of board member and Economic Development Standing Committee Chair Mark Zientek, CABQ Economic Development Department, we have not had interest from other WCCNM Board Member to chair this committee (required of standing committees).
- The WCCNM is recommending we designate the Economic Development as an Ad-Hoc Committee verses a Standing Committee as there are more rules to follow within WIOA.
- This modification is strictly within the WCCNM Bylaws.
- Mr. Martinez stated the CEO's have many more responsibilities than identified within these two agreements.
- The funds that were described in the Bylaws and CEO Agreement were primarily related to WIOA Title I and additional funds and grants was not considered. Therefore, it is important to note that other funds and grants are managed by the WCCNM and their CEOs.

## Workforce Connection of Central New Mexico WFCP- 02-24 PY24 Preliminary Budget

#### **Action Requested:**

Requesting approval of the Preliminary Budget for the program year PY24 year 7-1-24 to 6-30-25. This is based on the NMDWS allocation letter dated 7-01-24 and our estimate of the 2<sup>nd</sup> year carry-in from the prior program year end June 30, 2024 (PY23). All figures are estimates. Bar #1 will true to actuals.

#### Background:

The New Mexico Department of Workforce Solutions (NMDWS) issued the PY24 allocation which indicated an 8.46% decrease for the Central Region. The allocation presented to WCCNM are as follows: Adult \$2,055,322, Dislocated Worker \$4,339,724, Youth \$1,933,043 and Administrative in the amount of \$925,345 for a total PY24 allocation of \$9,253,434. This is a \$855,507 decrease from the prior year's \$10,108,941.

The PY24 Preliminary Budget estimates the formula carry-in from PY23 to PY24 in the amount of \$2,025,000. It is estimated with \$755,000 Adult, \$430,000 Dislocated Worker, \$555,000 Youth and \$285,000 Administrative dollars.

The PY24 Preliminary Budget has an initial request to transfer \$935,501 monies of Dislocated Worker to Adult to align with currently experienced clientele mix. This will still need approval by NMDWS. An Additional \$1,700,000 planned in November 2024.

The PY24 Preliminary Budget provides monies in the Professional Services category of: \$60,000 Board Expenses, \$20,000 Legal and \$65,000 Audit, \$297,921 in Contingency which includes the balance of that sale & no Social Security's Ticket-to-Work monies. Hopefully there will be more Social Security's TTW during PY24.

PY24 Preliminary budget continues to have the two ongoing USDOL grants, Chances and Career Pathways Infrastructure. Both bring in additional directed funding streams to serve central area, thus there are two additional service provider contracts with MRCOG and ongoing with YDI.

#### **Policy Ramification:**

Approval of Policy WFCP-02-24 will allow the WCCNM to adjust the PY24 budget by categories as reflected in the attached worksheet.

The WCCNM Bylaws does not contain provisions to address a tie that is not resolved within the county membership to the WCCNM. Therefore, it is appropriate that the CEO's designate an executive committee representative for Sandoval County.
