Approval of OP-423, Change 2, Eligible Training Provider Policy

By: Jamie Sandoval, Program Manager

- Ms. Jamie Sandoval presented OP-423 Eligible Training Provider Policy.
- NMDWS updated their ETPL Policy on August 22, 2024.
- The guidance received replaces previous NMDWS guidance in its entirety. OP-423, Change 2, has been created to reflect the new NMDWS policy making the use of track changes an ineffective review option.
- The revised NMDWS guidance on the ETPL policy and procedures for initial and continuing training provider eligibility are intended to:
 - streamline and clarify the process for training provider applications throughout the state
 - clearly define terminology and roles and responsibilities of the State & WCCNM
 - clarify minimum performance standards for providers
 - promote strategic relationships between local boards and interested education and training providers in the state to move beyond transactional exchanges limited to ITAs

- The ETPL is designed to collect relevant data and display useful information to WIOA customers on training providers, their services and the quality of their programs. The goal is to populate the ETPL with training programs that are proven to be successful and remove those programs that fail to achieve positive results for training customers.
