PY25 WIOA Impact Report

Central Area Workforce Development Board

Distinct Title I and Title III Participants

Report period: July 1, 2025 - June 30, 2026

Program Year 2025 (PY25) - Preliminary

Economic Impact

- Estimated total annual earnings for all employed: $213,858,520
- Estimated average annual earnings per employed: $36,923

What do the Economic Impact measures mean?

Estimated Total Annual Earnings for All Employed

A sum of the wages for the participants who exited during the reporting period, multiplied by 4 to get an estimate for the total annual earnings.

Estimated Average Annual Earnings per Employed

The average 2nd quarter after wage for those who exited during the reported period and had wages, multiplied by 4 to get an estimate for annual earnings.

Employment Success

- Number of customers served and exited: 8,864
- Employed: 5,792
- Employed Q2: 65.3%

What do the Employment Success measures mean?

Number of Customers Served and Exited

Any customer who received staff-assisted services and left the program during the four quarters immediately preceding the current report period.

Employed

Number of customers employed in the 2nd quarter after leaving the program.

Employed Q2

Percentage of customers who were employed in the second quarter after leaving the program. This Employment Q2 definition is a key US Department of Labor Performance Measure for WIOA programs.
